

# **Ωhuma Productions**

**presents**

# **ROBOCOP**

**- Roaming Act -**

## Attributes:

Built-in Robot Voice,  
Smoke Machine,  
Electronic Fake Gun,  
Personal Transportation Vehicle with Built-in Speaker,  
LED Lights,  
Portable Printer to give Fines,  
Police Badge,  
And most importantly a futuristic sense of Humor...

## Synopsis:

In a future not so far from our era, through the grasp of the system, humanity slowly became assimilated to an emotionless condition. The New World Order transformed the planet into a police state. Coming from a future where nothing is allowed anymore, this Robot will patrol your events in the most unusual way arresting people for silly reasons  
. Don't miss out the action.
